WHY CHOOSE A 12-SEATER URBANIA?

Travelling together helps your group stay coordinated throughout the journey. Seating, air-conditioning, interior features and luggage space depend on the vehicle configuration selected. A shared vehicle can simplify pickup coordination, sightseeing stops, meals and return travel.

FLEXIBLE RENTAL — NO FIXED TOUR PACKAGE

Plan around your group size, pickup location, destination, travel dates and sightseeing needs. Discuss your preferred route and stops with our team. Accommodation and personal travel arrangements can be planned separately.

COMFORTABLE LONG-DISTANCE TRAVEL

For longer journeys, plan breaks for refreshments, meals, sightseeing and rest. Your group can travel together while the driver handles the road journey. Confirm vehicle features and availability when booking.
